

Agreements and conditions for maintenance Locks

Safety

If you are ill, make a new appointment with the consultant when you are better.

Installation Sisterlocks® and Microlocks:

- Your hair is washed up to 24 hours in advance and is product-free.
- Do not use conditioner or leave in conditioner.
- Do not use a blow dryer.

It is not possible to determine in advance how long the installation will take. The installation can take 2 days or more. It is good to take this into account and not plan any other activities during the installation days.

Maintenance after installation

- Only use sisterlocks® shampoo to wash your hair. When you have been Installed with Microlocks your consultant can advise you which shampoo to use.
- Carefully follow the instructions of your consultant for washing your hair.
- Separate your locks after washing your hair.
- Your hair should be washed 24 hours before your retightening appointment.

Your visit

- Canceling or moving your appointment must be communicated 24 hours in advance. If the appointment is not canceled in time, I will charge 50% for the reserved time.
- If you are late, you pay from the original time of the appointment. After 30 minutes your appointment will be canceled and you will have to pay 50% for the reserved time.

Cost and payment

- The costs for the installation are determined during your consultation.
- Payment for the installation must be made in accordance with the agreements made with the consultant.
- For the Retightening cost see price list.
- The payment for the retightening must be paid immediately after the job is done.
